What's a Guest Meal Pass?

Milsoft User Conference attendees will have their meals included with their registration. However, if you are planning on bringing family or a significant other, and you want them to join you for your Milsoft provided meals (three breakfasts, two lunches), they will require a "Guest Meal Pass." The Guest Meal Pass will allow each pass holder to join you for all the meals provided by Milsoft (three breakfasts, two lunches) for the duration of the event.
